Rugby Final Champions: After finishing as runners up for the last two years, our rugby team won the Ben Woods Memorial Shield in a thrilling final against Leigh St Thomas. We secured a 26-22 victory in front of a bumper crowd capping off a long season that began with training sessions in September. What a great way to send our Year 6 children off after years of hard work. It's fair to say that Mr Taylor is now a very happy man! A huge well done to all involved.

Hot Weather: Thank you for all your support this week with the very hot weather and my apologies for the short notice for pick up today. It is due to cool down after the weekend, so it's back to school uniform on Monday.

We have also had complaints about the ice cream van I'm afraid. Some children are running around on the path and pavement and there have been some incidents where neighbours have been very worried about driving through to their homes. Please do keep your children with you if they are queueing for an ice cream.

Weekly Wonders: these children all deserve a special mention for shining in their class this week. Well done to:

YR - Arlo and Gracie-Mae

Y1 - James and Kaia

Y2 - Eve and Isla

Y3 - Jack and the whole class

Y4 - Lexie and Zac

Y5 - Zack and Poppy

Y6 - Halle and Hadley

Sports Day Fun: What a fabulous day we had last week on Sports Day. Huge numbers of parents and family members came along to support and take part so thank you! I could not have been prouder of the children for their determination, support of team mates, resilience and perseverance. Not all of us can be the fastest but we can all try and our best and that is exactly what we saw. Well done everyone.

Cricket Stars: Our mixed Year 6 cricket team performed brilliantly at the LLG competition. We narrowly missed out on the final by 3 runs but secured a third place finish. Thomas and Fletcher led the team from the front and were great captains and role models!

Year 3 trip to the Mining Museum: Year 3 braved the heat on Wednesday and popped along to the mining museum in Astley. They learnt all about life down the pit and what it was like to be a miner as part of their local history topic. What a very interesting day!
